THANK BOARD

"Thanks for the balcony." That is the tenor of a resolution passed by the directors of the Chamber of Commerce and forwarded to the board of education for the board's decision to place a balcony in the Torrance high school auditorium.

Mr. and Mrs. Joseph R. Perry of Kern court have returned from a two weeks' visit in Fresno.

Mrs. Nellie D. Pennington spent Sunday evening with Los Angeles friends.

FORD PRICES DOWN AGAIN TO LOW LEVEL

DETROIT, Mich., Oct. 18.—Ford cars are today at a new low price level through an announcement effective October 2, made by Edsel B. Ford, president of the Ford Motor company, Detroit.

This reduction in the prices of Ford cars and trucks is in line with the well established policy of the company. It is notable also that this decrease closely follows the introduction of many changes and improvements throughout the Ford line.

The new list price on Ford cars, f. o. b. Detroit, are as follows:

Runabout	\$269 to \$265
With starter and demountable rims	350
Touring car	298 to 295
With starter and demountable rims	350
Coupe	530 to 525
Four door sedan	725 to 685
Ford chassis	235 to 230
One-ton truck chassis	350 to 370

The new prices apply to the Ford weekly purchase plan. Persons enrolled under the plan and who have not yet taken delivery of their cars automatically benefit by the reduction in prices.

The last price reduction by the Ford Motor company was made about one year ago, October 17 last, bringing the prices of the Ford cars at that time to the lowest level in the history of the company.

The big reduction in the price of the four door sedan brings it within reach of a large field of buyers. This type sedan was introduced in the Ford line a little over a year ago and because of its low, graceful lines, its roominess and its attractive fittings, it at once came into high favor as an enclosed car for family use.

The price of the Fordson tractor is increased from \$395 to \$420 f. o. b. Detroit.

No change is made in the price of Lincoln cars and none is contemplated, a company announcement says, stating that the Lincoln prices are considered fair in view of the number of improvements which have been made in the cars.

Trustee Meeting

L. E. Bowker was granted a permit to peddle candy and soft drinks in the Torrance oil field.

Sam Levy was granted a permit to erect an electric sign on his new building on Sartori street. Mr. Levy told the trustees that the Florsheim Shoe company donates the sign, which will cost \$400. It will extend six feet over the street. The permit was granted on condition that it may be revoked at any time that the sign is considered a menace to pedestrians.

The health officer has made an extended investigation of the mosquito nuisance in Torrance and will make a written report to the trustees at their next meeting.

Trustee Proctor made a plea for the improvement of alleys in the city. "Many of them are impassable," he said. The board instructed him to make an investigation with the engineer and make a recommendation at the next meeting.

Owing to the great increase in the amount of work transacted by the city clerk, the trustees approved the clerk's request for additional help. It was voted to allow the office an increase of \$75 a month, to be used to pay a bookkeeper who will keep the books and act as assistant plumbing inspector. The bookkeeper will work part time.

That a reasonable fee will be charged companies which seek oil pipe line franchises in the city was indicated by the action of the trustees. The Associated Oil company applied for a franchise for a line to run to San Pedro. The trustees declared that the county charged \$1000 a mile for pipe line franchises. A representative of the company asserted that the company did not want to be "held up," but was willing to pay a fair price for a franchise.

Seek Increase In Postoffice Force

More help at the Torrance post-office. This is the demand of Postmaster Alfred Gourdier, to which the directors of the Chamber of Commerce added the weight of a resolution to be sent to Congressman Fredericks.

"We are rushed with work and need help the worst way," said Mr. Gourdier. "It is next to impossible to give service with the present force. And the amount of mail handled is increasing every day."

Two Are Injured As Truck Hits Car

Mrs. Alex Martinez and Mrs. Angelo Martinez were slightly injured Friday evening when their car, driven by Alex Martinez, was struck by an Esley Truck company truck. The accident occurred at the turn in El Prado street, just west of the P. E. tracks. The Martinez car is a complete wreck.

Mr. and Mrs. J. F. Lightbody of Park Terrace visited J. F. Nelson at the Anaheim sanitarium Sunday.
